

Washington, DC (Insight Maps)

FlexiMaps are innovative maps that combine durability and convenience with accuracy, utility, and readability. With state-of-the-art technology, they feature detailed city streets and road maps clearly marked with all the sites and services of particular interest to travelers. These special Museum and Gallery FlexiMaps not only get you to your destination, but help you navigate inside them with detailed floor plans. This map also includes useful information on tours, events listings, getting around, useful websites and tips for making the most of your trip.
