

British Television: An Illustrated Guide

This is a lavishly illustrated guide to British television from 1936 to the present day. Entries on over 1,200 programs are arranged chronologically to provide a unique reference guide to British television heritage. Each entry is accompanied by a production still, many of them previously unpublished and some the sole remaining visual record of the program. Comprehensive, accessible, and wonderfully detailed, the Guide will be irresistible reading for all those who have ever been interested in British television.
