

Intellectual Property and the Safeguarding of Traditional Cultures: Legal Issues and Practical Options for Museums, Libraries and Archives

This publication, prepared under the aegis of the WIPO Creative Heritage Project by two external consultants, Ms. Molly Torsen and Dr. Jane Anderson, offers legal information and compiles practical experiences on the management of intellectual property for cultural institutions whose collections comprise traditional cultural expressions. It seeks to respond directly to the needs of cultural institutions and indigenous and traditional communities dealing with the preservation, safeguarding and protection of cultural heritage.
