

Intermediate Accounting, Vol. 1: IFRS Edition

US public companies will have to follow International Financial Reporting Standards as of January 1, 2011. Weygandt's Financial Accounting: IFRS introduces challenging accounting concepts with examples that are familiar to the student while incorporating the new global accounting standards. Following the reputation for accuracy, comprehensiveness, and currency, Weygandt guides students through financial accounting and the period of transition for IFRS readiness. The text prepares student for the requirements they will follow in the coming years.
