

Introducing the LSAT: The Fox Test Prep Quick & Dirty LSAT Primer

Introducing the LSAT jumpstarts your LSAT preparation with a concise explanation of the tests most common concepts. This might not be the only LSAT book you read, but it should definitely be the first. In his down-to-earth, often irreverent style, Nathan demystifies the confusing world of logic games, logical reasoning, and reading comprehension. In no time, you'll start to see through the BS and dominate the test. The approaches are easy to digest, and will stick with you when you finally sit down for the big day. No nonsense. No made-up, trademarked buzzwords. No confusing jargon. And best of all, no pulled punches. Plus, you'll also find out how you can contact Nathan directly with your questions. So grab a pencil and crack this book. Let's get it on.
