

iPad in easy steps: Covers iOS 9

The iPad is a fun, functional and powerful tablet computer, and iPad in easy steps is written to help you get started quickly with your new iPad. This popular guide is updated to cover iOS 9 the operating system released by Apple in September 2015. Learn how to change the settings so that your new device works exactly how you want it to; keep in touch using the iPad, have fun surfing the web, and explore apps for photos, music, videos, games and reading; and use your iPad for work: get organized, sync with your main computer, get the latest news, run presentations and write documents. Explore the family sharing features and iCloud Drive to work from anywhere, speak to Siri to do things (no need to type), and much more. Packed with tips and shortcuts, this popular guide will help you make the most of your iPad, all in easy steps. In full color, with screenshots and photographs showing exactly what you see on your iPad screen, you can't go wrong!
