

## Jesus, The Last Great Initiate

An esoteric look at the life of Jesus, here considered the ultimate of a long line of Initiates. Schure (1841-1929) was a French author who influenced Rudolph Steiner, the German founder of Anthroposophy. Steiner also viewed Christ as both an historical individual and as a manifestation of the divine in the human realm. Global Grey editions are fully formatted and always have linked table of contents and cover page. Footnotes and illustrations are included when applicable.
