REVIEWS: Matthews certainly knows how to keep the reader hungry for the next revelation. - Kirkus UK. Ascension Day is like a narcotic, laced with danger, and totally addictive. Impossible to put down. This is what thrillers are meant to be. Jac McElroy is a character I want to read more of. - Jon Jordan. Crime Spree Magazine. Goes to the wire... a gripping thriller. - The Scotsman. If John Grisham ever developed a sense of irony, or Scott Turow ever tried to write from the other side of the prison bars, they might come up with something like John Matthews Ascension Day. This is a book that doesnt sacrifice style for suspense, or character for plot. The legal thriller has needed a jolt of electricity for a few years now and Matthews may just be the man to throw the switch. - Peter Blauner, Author of

Slipping Into Darkness and The Intruder. Move over Grisham, your reign is over! Reminiscent of vintage Grisham, but Matthews has his own distinctive style. Strong, believable characters and a plot that grips from page one and wont let go, twisting and turning its way towards a nail-biting climax - they dont come much better than this. One of the best and most memorable thrillers Ive read in years. A winner all the way. - Bob Burke. Mystery Readers International. ASCENSION DAY is a fast-paced thriller set between New Orleans and an upstate Louisiana prison, and Matthews strong descriptive prose brings the darkness at the heart of Libreville penitentiary alive. His chief protagonist, Jac McElroy, is particularly interesting with his Franco-Scottish heritage - and his ever-changing relationship with prisoner Larry Durrant sets the main pulse for this race-against-time thriller... with the stakes and tension rached up throughout the book. - Luke Croll, Reviewing the Evidence. John Matthews is a leading British thriller writer. His books span genres of crime, action, mystery and legal-thriller and include: Basikasingo, Crescents of the Moon, Past Imperfect, The Last Witness, The Second Amendment, Ascension Day, The Shadow Chaser and The Prophet.
