

Josiahs Command: A Red Lodge Bears Prequel

Josiah Beran is fed up with his big, rowdy sons. All six men are big, built, and virile, but none of them has ever so much as considered settling down with a mate. As far as Josiah sees it, the Beran men have a duty to continue the bloodline and sire Berserker bear offspring, but all any of them has done is their sow wild oats. Josiah makes a decision that will change Luke, Wyatt, Cameron, Gavin, Noah, and Finns lives forever. When the Alpha of the Beran family summons them home to the Montana Lodge, his sons have no choice but to obey. Josiah makes a shocking decree, and hes not willing to hear excuses. Anyone who resists will be banished from the clan and from the Montana Lodge wilderness refuge, the only safe place where bears shifters can roam free in their true forms. Will these six swaggering bad boys choose to reform their skirt-chasing ways, or will they face the possibility of losing their inheritance, names, and native land? This book is a prequel, not a standalone story. It introduces the story line of Luke and Aubrey, the protagonists of the first full-length book in the Red Lodge Bears series, Lukes Obsession.
