

## Journey Into Darkness

The worlds top pioneer and expert on criminal profiling delves further into the criminal mind in a range of chilling new cases - involving rape, arson, child molestation and murder - as well as profiling suspects from OJ Simpson to the Unabomber, and investigating the assassination of John Lennon and the tragedy at Waco, Texas. The inspiration for Special Agent Jack Crawford in The Silence of the Lambs and a continually sought-after consultant on headline-making cases, Douglas reveals the fascinating circumstance of each crime in detail as he explores the larger issues, from crime prevention and rehabilitation to what violence is doing to society.
