

Chasing Rainbows with Just Us Two -2

Chasing Rainbows is the second in the Just Us Two series by Rosalie Marsh and the real end to Rosies Gold Wing story. A peep into Rosies life as,with tongue-in-cheek humour,she pokes fun at herself while she conducts a love-hate relationship with a hidden controller. You know boys and their toys? Rosie pleads for maps as they return to Ireland across Cavan,Sligo,Galway,beautiful Westport and Ballycroy in County Mayo which Rosalie describes evocatively and with feeling. The fun then really started when the phone rang and another trip was on the horizon. Rosie with her usual lets go stuck pins into maps which almost became redundant... Chasing Rainbows includes detailed routes and photographs to guide you as Just Us Two return to awe-inspiring Andorran mountains to meet with Gold Wing friends; explore the majestic French Alps and Spanish Pyrenees; retrace their steps through the notoriously challenging Pas de la Casa, Tet Valley and Central Massif, north to Versailles where Rosie has another adventure planned. Chasing Rainbows (also available as an e-book) is the sequel to Just Us Two: Ned and Rosies Gold Wing Discovery published in 2009 as soft cover and e-book.
