

Mind Over Matter (Loose Ends Book 3)

They said they would try. They said they would give their love a chance. But when the mistakes of Gabriels past clashed with Nicoles hopes for the future, they realized love wasnt enough. They tied up the loose ends of their broken hearts and walked away. Now, Gabriels career is on a meteoric rise and he is back to his bachelor ways. He told Nicole he couldnt promise forever and did his best to let her go, but these days he wonders if he spoke too soon. Nicole has a new life, a new man, and she refuses to look back. To everyone around her though, not looking back looks an awful lot like running scared from the past. With Jackie and Ians wedding approaching, a reunion between the best man and the maid of honor is to be expected. What they dont expect is for the olive branch of friendship to catch fire with a love and need that is stronger than even their best intentions. They called it quits. But is it really over? They still love each other. But does that even matter when theyve made up their minds that theres no going back? *Authors Note* Mind Over Matter is the third and final book in the Loose Ends series.
