

Rescued: Wet Volume 3

Sometimes when everything's lost, it's just the beginning. Tossed by a storm, torn by grief, and with his world turned upside down, Morgan clings to the one woman he knows can bring some peace into the chaos that his life has become - Lara. It's not easy to love a complicated man. It's even harder when he builds a maze around his heart. She's looking for answers but life just keeps throwing more questions at them both. There's a dead sister who is now alive, ashes in the ocean and a tiny grave on a lonely beach. Lara and Morgan have learned that sorrow often follows joy and love isn't always enough to keep it in the shadows.
