

Whip Me Real Good (Club Lexx Book 1)

Mattie couldn't believe her luck...Not only had the Lexington Corporation agreed to fund her grant for the small organization she'd founded for abused women but she also received a complimentary ticket to the year's hottest party. The Erotic Exotic Event. Mattie's pleasure was two-fold. This was her chance to thank J. Lexington personally for choosing her little charity, and she could let loose a little from her stodgy persona to do it. She had no clue what she was in for. John was a strong believer of giving back to the community which was why he chose a non-profit entity to support every year. What he didn't expect was the latte beauty, who looked like a librarian with the moves of a stripper, to come bounding through the club's gold doors. When the opportunity presented itself, he snatched it with both hands. That's when things really start to heat up.
