

Homesteaders: Raised Bed Gardening - Quick Bites Guidebook (K.I.S.S Quick Bites 3)

Welcome to my K.I.S.S Quick Bites introduction to raised bed gardening. K.I.S.S. (Keep It Simple Stupid) Is part of a series of introductions to the world of homesteading and self-sufficiency. And Quick Bites is all about putting essential information in such a way that it can be swallowed whole, and absorbed at one sitting so to speak. Whether you have a homestead with multiple acres of ground at your disposal, or you have only a limited space in which to grow your own vegetables; then a raised bed garden may be just what you need to maximize production or increase your profitability. Some of the topics you will find here: What are the advantages of a raised bed? Do you need one? What exactly is a raised bed How to infill a raised bed garden A basic introduction to the world of raised bed gardening.
