

La Reine Margot (Oxford Worlds Classics)

La Reine Margot (1845) is a novel of suspense and drama which recreates the violent world of intrigue, murder and duplicity of the French Renaissance. Dumas fills his canvas with a gallery of unforgettable characters, unremitting action and the engaging generosity of spirit which has made him one of the worlds greatest and best-loved story-tellers. This revised edition of the classic translation of 1846 is richly annotated. An introduction sets Dumas and his work in their literary, historical and cultural context.
