

Painting the Land of Enchantment: Lesson 2: New Mexico Night

This is the second lesson in a series of five on painting the scenery in New Mexico. In this lesson I will show you how to paint a night scene in acrylic. All the painting steps in this book are created in ArtRage 4, a computer painting program that reproduces the exact look of acrylic painting. New Mexico is known as the Land of Enchantment. From the colorful skies to the Wild West history, New Mexico is an artists paradise. This state has a wide range of colors, climates, and vegetation as well as many rich and enduring traditions. The night skies are very enchanting in New Mexico and the stars look like thousands of diamonds twinkling in the sky.
