

Keys for Leadership (Keys For...)

In *Keys for Leadership*, Dr. Munroe reveals that the one thing all leaders have in common is not education, knowledge, or networking. It is a spirit. When you think according to the spirit of leadership, you begin the process of becoming a leader. Every human being has the capacity for leadership, but most lack the understanding or will to develop it. Learn the keys for leadership, capture the spirit of leadership, and you will discover the leader within you.
