

Business Law: Ethical, International and E-Commerce Environment (4th Edition)

For one/two-semester courses in Business Law. Exceptionally comprehensive-and praised for its writing style and accessibility-this text offers longer cases (edited), with more actual language of the court and includes numerous business-oriented features that make the course more relevant to future managers. It focuses on ethics, social responsibility, contemporary business, application issues, international law, and on the revolution that the Internet and electronic commerce have brought to business and society around the world.
