

The Process of Legal Research (Legal Research and Writing)

With a proven-effective process approach that has made this book a continual best seller, *The Process of Legal Research, Seventh Edition*, offers comprehensive coverage in a format that is pedagogically rich, meaningfully organized, and surprisingly concise. Written and organized to explain and show the process of Legal Research, *The Process of Legal Research, Seventh Edition*, includes: a thorough introduction to the process of Legal Research; extensive illustrations and examples; one continuous in-text example that illustrates how to research a complex problem; a focus on best-research practices; how to choose the most appropriate source and media for various types of inquiries; integrated coverage of electronic research; extensive, well-researched problem sets on a CD included with the book; With updated sources throughout, the Seventh Edition features: expanded coverage of non-Lexis/Westlaw on-line sources; chapter-by-chapter templates for each type of research; an updated and streamlined continuous research problem, with some explanatory material moved to sidebars; enhanced discussion of the links between legal research and legal analysis; a new author website that offers research tutorials. This long-time leader in the field shows no signs of slowing down. Examine your complimentary copy to find out why *The Process of Legal Research*, now in its Seventh Edition, leads the pack.
