

Leprechauns Never Lie

Ninny Nanny and Gram are in a bad state. The thatch on their roof is broken, the rain barrel is empty, the potatoes need digging, and all they have to eat is rainwater soup. But Ninny Nanny is lazy and not inclined to work. So she decides to catch a leprechaun and find out where he has hidden his fortune! The idea is splendid, but finding the pot of gold turns out to be much more than Ninny Nanny and Gram bargained for! Originally published in two colors, now colorized for the first time by Lecia Balian.
