

Let Every Nation Know with Audio CD

Let Every Nation Know is the first book of its kind—a historical biography in Kennedy's own words. Combining a remarkable audio CD of Kennedy's most famous speeches, debates and press conferences with the insights of two of America's preeminent historians, the result is a unique look at the world-changing words and presidency of John F. Kennedy. Robert Dallek, author of the #1 bestselling biography *An Unfinished Life*, and Terry Golway, author of *Washington's General*, bring to life the soaring oratory, marvelous wit and the intense drama of Kennedy's words and the events they evoke. I had forgotten just how powerful these speeches were but the CD brings them to life once more and Dallek and Golway have done a masterful job of putting them into context.—Bob Schieffer, CBS News
