

# Lets Go Guatemala & Belize: The Student Travel Guide

Welcome to Guatemala and Belize! Lets Go style. Our team of intrepid student researchers traversed these two countries from head to toe, braving the gnarliest jungles, climbing the highest peaks, and tasting cup after cup of the finest coffees to bring you the most complete coverage of their Central American treasures. Get ready to volunteer at a school in rural Belize, snap pictures of iguanas in a Guatemalan jungle, and snorkel in the Caribbean Sea. Just don't fall into the Blue Hole unless you want to, in which case Lets Go Guatemala & Belize will tell you exactly where to jump. Lets Go publishes the world's favorite student travel guides, written entirely by Harvard undergraduates. Armed with pens, notebooks, and a few changes of underwear stuffed in their backpacks, our student researchers go across continents, through time zones, and above expectations to seek out invaluable travel experiences for our readers. Lets Go has been on the road for 50 years and counting: We're on a mission to provide our readers with sharp, fresh coverage packed with socially responsible opportunities to go beyond tourism.
