

Life After Bread: Get Off Gluten and Reclaim Your Health

One in every hundred people has celiac disease; one in three has gluten intolerance. You could be gluten intolerant and unaware of the damage its causing you. But heres the good news: theres Life After Bread. For all who suffer with unexplained symptoms, this book will help you identify whether youre one of the millions negatively affected by eating gluten. Learn the truth about the American diet and the foods that may be poisoning you. If you want to end the vicious cycle of being sick and tired, removing gluten from your diet will: Reduce pain and inflammation; Give relief from depression, anxiety and mental problems; Improve digestion, bloating, and bowel issues; Increase your strength and revitalize your energy; Balance your biochemistry. Do you hurt all over and feel excessively tired? Do you suffer from depression, anxiety, or mood swings? Do you have stomachaches, bloating, or bowel problems? Have you experienced irregular periods, miscarriages, or infertility? Do you have diabetes or any autoimmune disease? Have you been told its all in your head? Well, its not-Its in the Bread!
