

Madame Xanadu Vol. 2: Exodus Noir

Legendary creator Matt Wagner (MAGE, GRENDEL, SUPERMAN/BATMAN/WONDER WOMAN: TRINITY) is joined by master illustrator Michael Wm. Kaluta, for a 5-issue story with the seductive sorceress he first brought to life 30 years ago. Weaving a mystery that jumps between the Spanish Inquisition and 1940s New York City, long-buried secrets come back to life as Madame Xanadu investigates a murder 500 years in the making. A young daughter pleads for Madame Xanadu to use her powers of sight to investigate deeper into her father's mysterious death. But the family secrets Madame Xanadu digs up are the kind that no one truly wants brought to light. Generations of deceit can charge a heavy toll, and the fortune-teller will discover why it's better to let sleeping dogs lie.
