

Madwand

Pol Detson, son of Lord Det of Rondoval, has come home. He is now a powerful sorceror of unsurpassed natural ability - in a world where the power of magic is the only kind that matters. But Pol is still an untrained talent, a MADWAND. To take control of his powers, to rule in his fathers place, he must survive arduous training and a fantastic initiation into the rites of sorcery. As friends, Pol has one dragon and one thief. As enemies he has the most powerful wizards of the land. And at least one of them wants him dead. About the Author Zelazny wrote many novels, short stories, and novellas, including Nebula and Hugo Award winners 24 VIEWS OF MOUNT FUJI, BY HOKUSAI, PERMAFROST and HOME IS THE HANGMAN.
