

## Billy Lives

Billy Lockett: He was the king of rock n roll - until a shocking accident cut short his spectacular career. Iris Ames: A nubile beauty who was the latest to be promoted by Billy from groupie to bedmate. Al Fenstra: Billys manager who guided his career like a father. His reaction to Billys accident: Jesus Christ, Im wiped out! Madeline Fenstra: Als cool and lovely young wife who knew more about Billy than she should. Rick Giordan: Billys one-time partner, he harbored a hatred that grew with Billys fame. Dean Hardeman: Once he was a literary giant, now he is debt-ridden alcoholic. Hired to write Billys story, he discovers the surprising truth behind Billys legend - and some startling facts about himself. Billy Lives is a hard-driving novel about rock musics dim subculture, where drugs, kinky sex, and easy money can turn a teenager into a millionaire overnight - or make him an old man in a week.
