

Do you love playing video games? Want to share that passion with the world? Gaming videos are a big deal right now. Look at the top YouTube channels and you will see a large part of them are all about gaming, and they are all making money. Have you been wanting to start your own YouTube gaming channel, but don't know where to start? Look no further than Polished Gamer. Polished Gamer takes you through the things you will need to know to make your channel a success. Topics covered in this book include: 1. Legal issues 2. Types of videos you can produce 3. How to choose your first game or two 4. Learn how to have the best commentary 5. Recording and editing 6. How to get your channel noticed 7. How to make money with your gaming channel 8. Should you sign up for a network All of this information and more is available inside Polished Gamer. If you follow the advice in this book you will find success. **WARNING:** This is not a way to get rich quick. If you are looking for a quick buck I suggest you do not buy this book. Just as anything else, earning money from YouTube almost always takes a lot of time and a lot of effort. If money is the only reason you want to start a YouTube channel I suggest you don't start at all. But, if you love gaming, have a passion for it, and want to share your passion and ideas with the world then Polished Gamer is the book for you.
