

Marketing Essentials, Student Edition

Glencoe Marketing Essentials covers the very latest trends in marketing, including green marketing, marketing uses of social media, e-marketing, and global marketing. An all-new magazine feel gives the book added interest, and it is available online with McGraw-Hill's exclusive Connect and Connect Plus. Using Connect teachers can manage their classes completely online, while students complete their work, which is checked and placed in a grade book for the teacher. Students can even use Connect to do their homework on a PPA, iPhone, or iPod Touch! Connect Plus adds an online student edition. Glencoe Marketing Essentials is correlated to the latest National Marketing Standards, and incorporates academic content and research-based reading strategies throughout the text. DECA Connection features help students prepare for competitive events. Marketing Essentials meets all Perkins standards for academic rigor, relevancy, and relationships.
