

Mashing With Monsters: The Were-Rex (Paranormal Erotica)

This 8,000 word story contains explicit sexual content and is intended for mature audiences only. The clock is ticking on Sheree. Soon, she will not be able to physically have something she has wanted for quite some time now. But, one day, she meets a mysterious man, Jordan. Direct, to the point, and extremely hot, Jordan invites her for drinks. Intoxicated by his demeanor, Sheree agrees. Sheree and Jordan meet, and the two of them start hooking up... but the excitement quickly becomes so good, its inhuman! Jordan can no longer contain himself, and his prowess doesnt just resemble something prehistoric--it literally becomes, leaving Sheree with the gift she has always wanted! This book contains: *Paranormal *Dinosaur sex *And much, much more!
