

A Kings Ransom: Masters of Pleasure (Volume 1)

Book One in the Masters of Pleasure Series
On a quest to find his brother, King Kritan of Katarius on the planet of Panucia finds himself ambushed, beaten, tortured and then sold to fight in the arena games. The people of Tamoniushis rival kingdom condone slavery, take public sex to new lows and try to turn a profit off anything they can. Nothing can change his hatred for everything Tamonius That is, until he meets the most breathtakingly beautiful woman hes ever laid eyes upon. Surina of the House of Argyros, daughter to a powerful senator, stirs the beast within him, making it want to lay claim to her as badly as the man does. Free or not, Kritan is a master of seduction, and has selected Surina as his newest prey. But this virginal beauty has secrets of her ownones that change everything. And destiny just might have the last laugh. Warning: Novel contains graphic violence, explicit sex, MF and MFM, forced seduction, raw and gritty scenes of a society without order, an alpha male shifter king who sees what he wants and goes for it, all else be damned, a head guard who has many secrets but shares a passion for the heroine, and a virginal heroine who has longed to be taken roughly and claimed fully by a man. This novel is not for everyone or the faint of heart. Intended for adults only. Must be 18 years or older to read.
