

The Masters of Success

Description Some of the most influential authors in business today, and now they offer their expertise and insights to you. What makes them tick? Tap into their hearts and minds to gain insight and advice on success, significance, purpose, passion, and calling. This book features author, speaker, and facilitator Nick Conner as he talks about teams and how to make them work. Also, read interviews by other greats with Ken Blanchard (author of countless leadership books including *The One Minute Manager* and *The Secret*), Jack Canfield (author of *Chicken Soup for the Soul*), and John Christensen (author of *Fish Tales!*). This book contains tips, techniques, stories, and illustrations written in a conversational style to help you pursue a life of impact and to motivate and encourage you to make a difference in all aspects of your life. About the Author Nick Conner is Vice President of Program Development and COO for TeamBuilders. Over the course of his career he and his team have worked with thousands of small businesses to Fortune 20 companies developing teams and leaders to positively impact ROI. Measurement and assessment of teams is crucial to their development. Teams, true blue teams, need to have a common purpose, measurable results and joint accountability. He believes that Insights + Applications = Results. He doesn't take the fun out of team building. He just gives it a purpose.
