

## The Billionaires Proposal

This 7-Pack includes the entire Billionaires Proposal series by Emma Rose, formatted as a full-length novel. Helen has always placed the needs of others before her own. After the death of her father, Helen put herself in a position to take care of her mother, whose constant dependency forces Helen with little time for herself. When she must turn down the job of her dreams with Bevan-Jones Real Estate, she begins to believe she will spend her entire life denying herself the joys of a career and love life. The billionaire real estate magnate, Adam Bevan-Jones, is the definition of an alpha male. He knows what makes people tick and uses that to his advantage. When the perfect candidate for his manager position rejects his job offer, he's caught off guard. He doesn't select his candidates lightly and after watching Helen from afar, he realizes that he wants to make her his. How will Helen react when she hears Adam's proposal?
