

Claudias Pleasure (Men of Myth Book 1)

Can a long-term relationship regain its sizzle? Claudia and her boyfriend Sam have been together since high school. Real life is setting in as they reach their mid-twenties. She loves him, but the sex isnt what it used to be. Even worse, her gaze is straying to a handsome actor and a gorgeous architect. Los Angeles is full of man-candy ready to share her bed. Is Sam going to be enough for her, even if hes willing to try anything to get them back on track? Reader Advisory: Includes an M/M/F/M menage a quatre with mild M/M interaction.
