When young and inexperienced Charlie gets a job working with his girlfriend at a local day spa... he never imagined the kind of trouble that he could get himself into. It all starts on his first day, when his girlfriend informs the horny lad that her stepmother, a beautiful MILF, will be visiting the spa with another mature woman. She tells him to prepare their rooms... But the youthful, curious man finds himself overwhelmed by carnal urges during the task -- and to his surprise, the sexy older woman barges in, catching him during the act. She decides to teach him a few naughty things... without protection! And with the help of her curvy friend. But what happens when the young girlfriend discovers the taboo affair?
