

## Shiver and Bright (Tales of the Citadel Book 42)

Nathaly has been preparing for this moment for years, but she is still surprised when she is given the signal and has to run for her life. Her mother is arrested and her father is already in prison. She is the last of the line and staying free is her priority. Rescued by the Sector Guard, Nat agrees to train to use her passive talent as a weapon and Station 13 is her training ground. Strobe is her rescuer, and he keeps an eye on her while she is working to master her talent in new ways. When he is offered the chance to partner with her in a new Citadel, he jumps at the chance to keep proximity to the woman now known as Shiver. With her, his future is Bright.
