

# Minecraft Tips and Tricks: Top 53 Minecraft Secret Game Tips and Tricks

Minecraft, while originally and most popular for PC, now has moved onto all the high-end modern age platforms. A highly addictive game, it was originally created by Markus Notch Persson, but later control was taken over by Jens Bergensten. Despite server crashes, free software compensation, and a change of owners, Minecraft has continued to grow in popularity. Among this plethora of tips and tricks described in this book there are also some advice for playing as well as some neat traps and inventions to try. Beware: if you're a beginner be prepared for some mind-blowing tips and tricks. Legal Disclaimer: Author of the book is not associated with the game or its creators. This is an unofficial guide.
