

Minimalisms: A Sign of the Times

Rather than limit the minimal to being a type of visual art, the curators of Minimalisms: A Sign of the Times conceive of the minimal as a way of life, as a spirit that impregnates nearly the whole of modern culture and its surroundings. After an exhaustive overview of classic Minimalist works by Dan Flavin, Frank Stella, Agnes Martin, Carl Andre, and Elsworth Kelly, Minimalisms looks further, at artworks by Andreas Gursky, Candida Hoffer, Richard Serra, Jean-Marc Bustamante, and Gunther Förg, architecture by Peter Zumthor, Dominique Perrault, Claus En Kaan, and Rafael Moneo, furniture designs by Donald Judd and Shiro Kuramata, and fashion designs by Anni Albers, Donna Karan, and Issey Miyake. Linking them all is a simplicity of form and ornament, a technical precision, and the essential and concrete nature of structure.
