

Perilously Fun Fiction: A Bundle

Two heroines. Two heroes. Twice the romance and adventure! *The Spy Who Kissed Me* Her mom had been hoping a man would fall in her lap, but this wasn't what mama had in mind. A murder in the suburbs puts children's author, Isabel Stan Stanley directly in the path of CIA agent Kelvin Kel Kapone. A cute smile can help but not hide the ominous name or the hail of bullets. The smile and his access to firearms do help as they try to survive mayhem in the suburbs long enough for their happy ever after. *Do Wah Diddy Die* He's either going to kiss her or kill himself to get away from her. New Orleans Police detective Mickey Ross thought he knew every variation of weird. He was wrong. He didn't know Luci Seymour. Until now. Neither hero nor New Orleans would ever be the same again. *Do Wah Diddy Delete* Lucy and Mickey's adventures continue in two short stories. And as a final bonus, an editor must clear her name when her nasty colleague is found deleted with her letter opener. Mayhem has never been so much fun! Grab this bundle while you can! If you like offbeat humor and outrageous situations, you'll love Pauline Baird Jones' action-packed bundle!
