

## Mothers Ruin

Once a year, that's all Esmaeda queen of boggarts gets to enjoy the delights of the mortal world. So much has changed since she first played her tricks upon the humans, her followers have gone, her court dissolved. This will not stand and Esmaeda has spent her time plotting, devising a scheme that will ensure her reign can begin anew. A new court with new and much more eager followers. But first she will need a woman, clean and pure. It's time for her to hunt down her prey. Join her as she dives into the night of turn of Industrial Revolution London, into the squalor to find her precious and much needed catalyst. A dark short story of over 9000 words featuring historical fantasy, a monstrous being, tails being used very inappropriately, lesbian menage, mind control and impregnation.
