

Murder Most Maine (The Gray Whale Inn Mysteries)

Its springtime on Cranberry Island and love is in the air. It seems like every woman has the hots for buff trainer Dirk De Leon. He and his equally-gorgeous business partner, Vanessa Black, are leading a weight-loss retreat at the Gray Whale Inn forcing innkeeper Natalie Barnes to lighten up her butter-laden breakfast menu. The mood on the island darkens when two grisly discoveries are made. The first is a skeleton walled up at the islands lighthouse. The second is a corpse of the fresh variety the handsome Dirk! Could the spirit that once embodied the skeletal remains perhaps the lighthouse keeper who disappeared a century ago be responsible for Dirks death? The police pin the blame on Natalies boyfriend who to her dismay had a long-ago fling with Vanessa. To find the true killer and ease her own aching heart, Natalie must untangle the knot of jealous girlfriends and spurned admirers that once surrounded the hunky trainer.
