

Psychedelia (20th Century Rock & Roll)

The Psychedelic 60s It was an era of musical innovation that introduced the styles which influenced Rock and Roll music for the next quarter century. Every bit as exciting as the music, were the people who made it dynamic, expressive, socially conscious and talented artists who injected human passions into their music unlike any others before them in this century. This book chronicles the 50 most influential artists of Psychedelia and their music, complete with pictures, stories, biographies and discographies. Also included are lists of the top Psychedelic songs and albums of all time, and genre collectibles. Youll find The Beatles, Jimi Hendrix, Jefferson Airplane, Grateful Dead, Pink Floyd, Thirteenth Floor Elevators, The Doors, Moby Grape, Cream, Iron Butterfly, and many more between these covers. If you lived through the 60s, then youll remember this music. If youre alive today, buy the book itll bring back great memories. And as you read the song titles and start humming to yourself, youll be pleasantly surprised to realize how many of these great tunes you can still hear being played today.
