This short story first appeared in the anthology: *Seduction; an Interracial Romance Anthology Vol 1*, written by Pepper Pace and CeCe Monet. The life that Rosia Banks thought she would live came to a crashing halt with the death of her husband. Now a widow at the age of thirty-seven she must either re-create her life or continue existing in the safety of her loneliness. It takes a man that she has never set eyes on and so different from any she ever experienced to show her the way. But is this man who he says he is?
