

Never Cry Wolf (Night Watch Book 4)

Running With A Dangerous Crowd
Lucas Simone is not the kind of guy you mess with. Hes big, hes strong, and his eyes hint at a wilder side most women cant handle. Of course, thats because his predatory instincts are no metaphor-hes a genuine Grade-A top-quality werewolf, tough enough to fight his way to dominance over the scariest pack on the West Coast. Theres only one chink in his armor. Unlike most alpha dogs, Lucas has a reputation for protecting the weak and innocent. Sarah King is counting on that protective impulse-its the only thing standing between her and certain death. There are only two problems: one, shes not quite as innocent as shed like Lucas to believe. And two, if he doesnt stop stoking Sarahs animal lust, its only a matter of time before her own wild side gets unleashed. . .A fast-paced, sexy thrill ride you wont want to miss. . .It hooked me from the first page. -Christine Feehan on *Eternal Hunter* A wickedly unique voice in paranormal romance!
