

Sweet Ultimatum: Elloras Cave

Caitlin has returned home after a self-imposed exile. Haunted by the erotic memories of the man she once loved and abandoned, Caitlin is unprepared to come face-to-face with Selig and the hunger resurrected under his golden gaze. Even as her body craves his touch, she denies him, realizing her reasons for terminating their relationship so long ago are as valid now as they were then. Six years have passed since Selig left New Eden, Washington, disillusioned and bitter after Caitlin's cold denial of him and his love. Now he has returned, demanding retribution for her cruel rejection. The payment is her body.
