Learn what Hemlock really thought of Hotson, what Mr Darcy really wanted to do to Miss Elizabeth Bennet, and unveil the sexy escapades of Mr Rochester and Jane Eyre. We'll show you the scenes that you always wanted to see but were never allowed. Come on, you know you can't resist...open the pages and delve inside. Living a life of debauchery, he realises that time and age no longer affect him, not when the evil that is now his life is sucked into the vortex of his reflected self. As Dorian Gray sets out to prove himself to all around him, he realises his acts of villainy and hatred will hurt the people his cold heart has grown to care for. His love knows no bounds, but it is that love that ultimately leaves him alone, only knowing the self-disgust that is now his life This is a story of a young man

who will set out to live his life to the fullest even if that destroys everyone and everything around him, himself included. Jenika Snow, About the Author: Jenika is just your average woman.
