

No Trace: A Brock and Kolla Mystery

Cited as one of the top ten crime novels of 2006 (Kirkus Reviews), No Trace is the finest novel yet by one of the best crime novelists of our time. In a London neighborhood known for its artists and bohemian style, six-year-old Tracey Rudd is abducted from her home without any warning, or sign of violence. She is the third child abducted under similar circumstances in recent weeks. But this case is different. She is the daughter of notorious contemporary artist Gabriel Rudd, best known for the grotesque Dead Puppies, a work centered around his wife's suicide five years earlier. While Rudd exploits Tracey's abduction as an inspiration for a major new work in his upcoming exhibit, D.C.I. David Brock and Detective Sergeant Kathy Kolla hunt for the missing girl's kidnapper, who is suspiciously connected to the eccentric community of artists, dealers, and collectors in the neighborhood.
