

Now & Then : Dubai (Our Earth)

Now & Then Dubai is a large format, coffee table book showing the development of Dubai over the past 100 years using old photographs compared with new photographs taken from a similar angle. The modern photographs, taken using a 6x7 Mamiya RZ camera, are dramatic and colorful, especially compared with the old monochrome pictures shown on the same page. There are 14,000 supporting words of descriptive text. The foreword is by HH Sheikh Ahmed, the Chairman of Emirates Airline.
