

Celebrating Christian marriage (Worship series)

From the popular Worship Series from Faith and Life Press comes this, installment #6, on the celebration of Christian marriage. Covering both traditional and legal aspects of marriage ceremonies, this booklet walks through the planning of a wedding ceremony for both celebrants and officiant. While Faith and Life Press is an extension of the Mennonite church, the contents of this book are appropriate for most interdenominational marriage rituals, allowing for the injection of personal statements of faith and/or love, and involvement of the attendees to various extents.
