

Pathfinder Chronicles: Classic Treasures Revisited

Since the birth of fantasy roleplaying, a handful of mythic treasures have lurked in the hordes of tens of thousands of campaigns. Infused with magical power and surrounded by countless battle legends and tall tales, these items have been a part of every edition of the rules and continue as important elements of the game to this day. Classic Treasures Revisited places these important treasures into the context of the Pathfinder Chronicles campaign setting, with historical details, advice for using them in Pathfinder games, and tips on suggesting how to make the items far more than a simple line on a character sheet. Each treasure receives a lavishly illustrated 6-page treatment destined to change the way you think about these classic items.
